1. Figures show all outflow from UK Regular Forces including recalled reservists on release and outflow to the Home Service battalions of the Royal Irish Regiment. The Royal Irish Regiment disbanded on 31 March 2008.

2. UK Regular Forces includes all trained and untrained personnel. Gurkhas, Full Time Reserve personnel, and mobilised reservists are excluded.

3. Due to ongoing validation of data from the Joint Personnel Administration System, all Naval Service flow statistics for 12 month periods ending 31 October 2006 onwards, all Army flow statistics for 12 month periods ending 31 March 2007 onwards and all RAF flow statistics for 12 month periods ending 30 April 2007 onwards are provisional and subject to review.

Due to the rounding methods used, totals may not always equal the sum of the parts. When rounding to the nearest 10, numbers ending in 5 have been rounded to the nearest multiple of 20 to prevent systematic bias.

p denotes provisional.
